

The complete portfolio.

Brand-name pharmaceutical formulations across 10 therapeutic categories – built for trusted partnerships.

10 Therapeutic categories

130+ Brand-name formulations

4 Dosage forms (Tab / Inj / Syr / Gel)

WHO-GMP · EU-GMP · ISO 9001 · Quality you can prescribe with confidence.

Three promises, kept with every shipment.

Beyond the product list, our partners stay with us because the experience around it is dependable: medicines arrive on time, every batch performs to spec, and we pick up the phone when you call. Three commitments — simple, but rare.

01

Timely Deliveries

Reliable logistics across India and export markets. Dispatched on schedule, tracked end-to-end.

02

Excellent Quality

WHO-GMP and EU-GMP compliant manufacturing. Consistent product stability and batch performance.

03

Quick Communication

Responsive, knowledgeable support. Quotes, orders, and queries handled with minimal back-and-forth.

OUR PROMISE

Every batch, every order,
treated as if a life depends on it — because one does.

From Vadodara, India — to clinics, hospitals, and pharmacies worldwide.

Ten categories, one trusted standard.

A diversified, patient-centric basket designed to meet evolving healthcare needs across multiple medical specialties — covering both acute and chronic therapies. The pages that follow detail every brand, dose, and active ingredient.
